

User Guide - v1.0 – SDF Grant Management System (GMS)
December 20, 2024

RTB - SDF Grant Management System (GMS)

SDF - Application process user Guide

1. Introduction

1.1 About this user guide

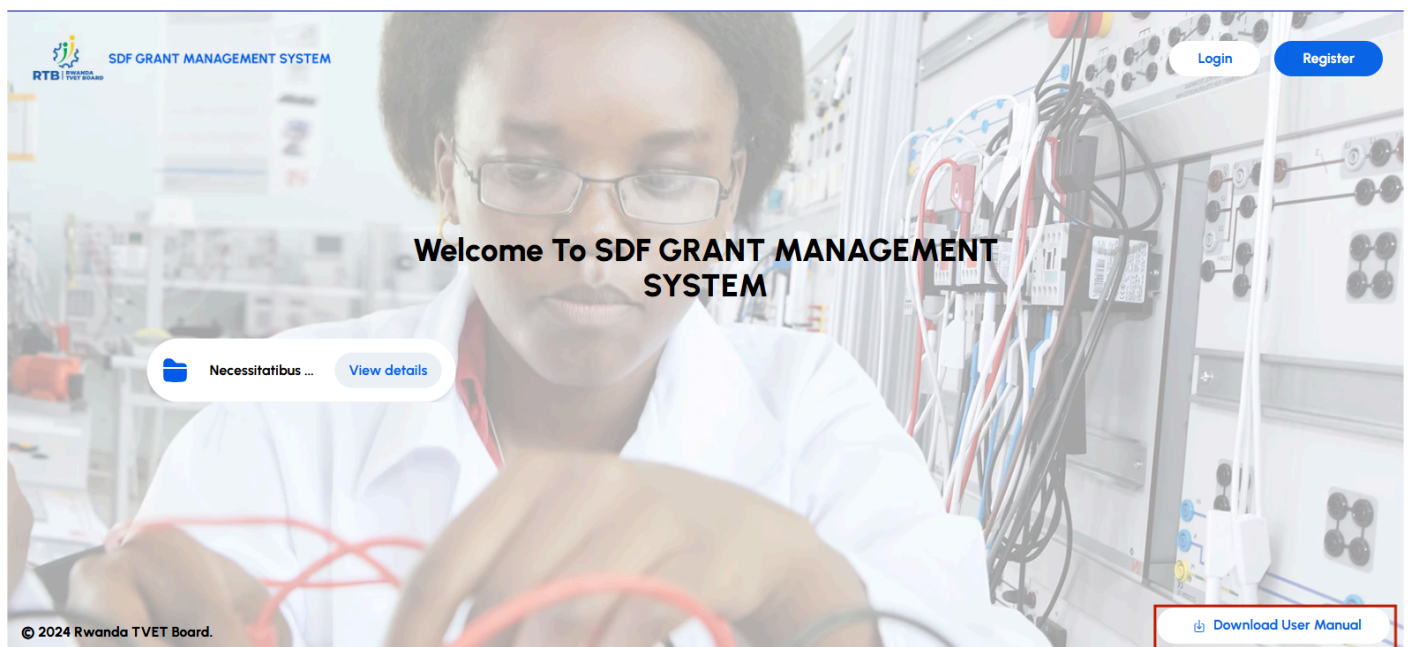

This is a user guide for applying for an SDF Grant the Grant management System - GMS. All steps are detailed and shown in screenshots to help the applicants in the process of application and submission.

1.2 Getting started

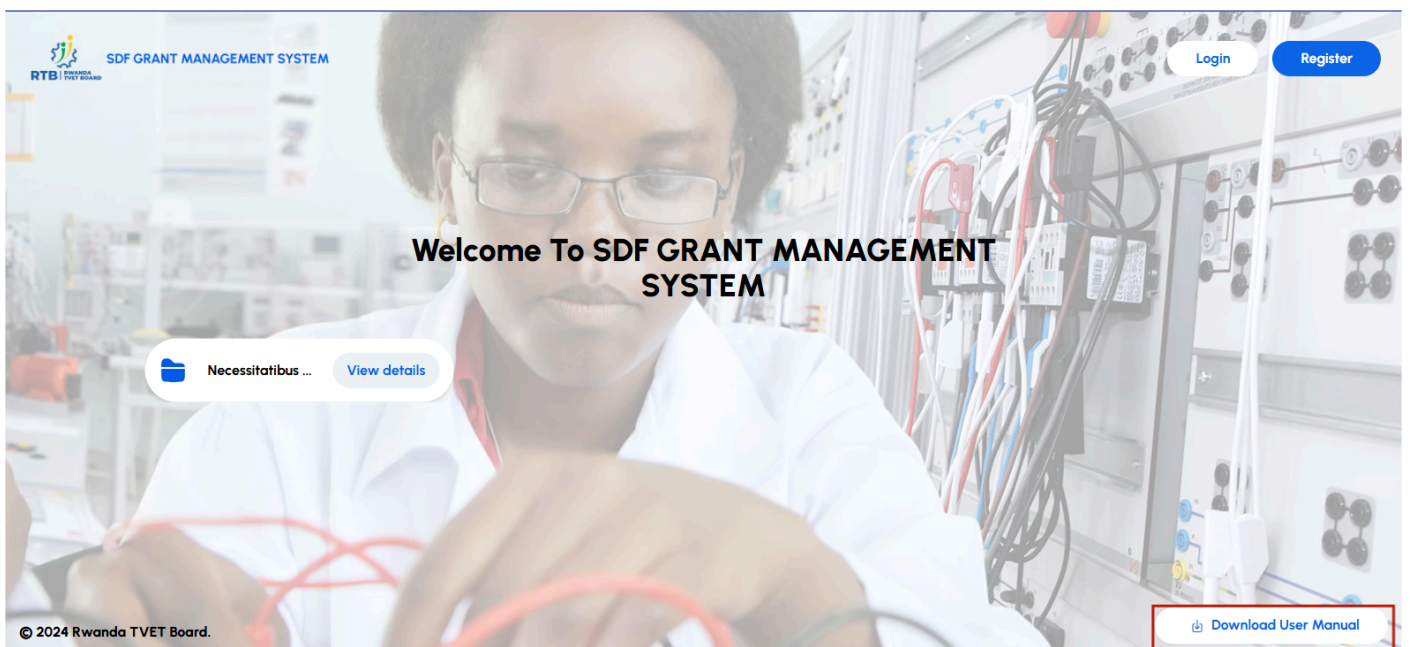

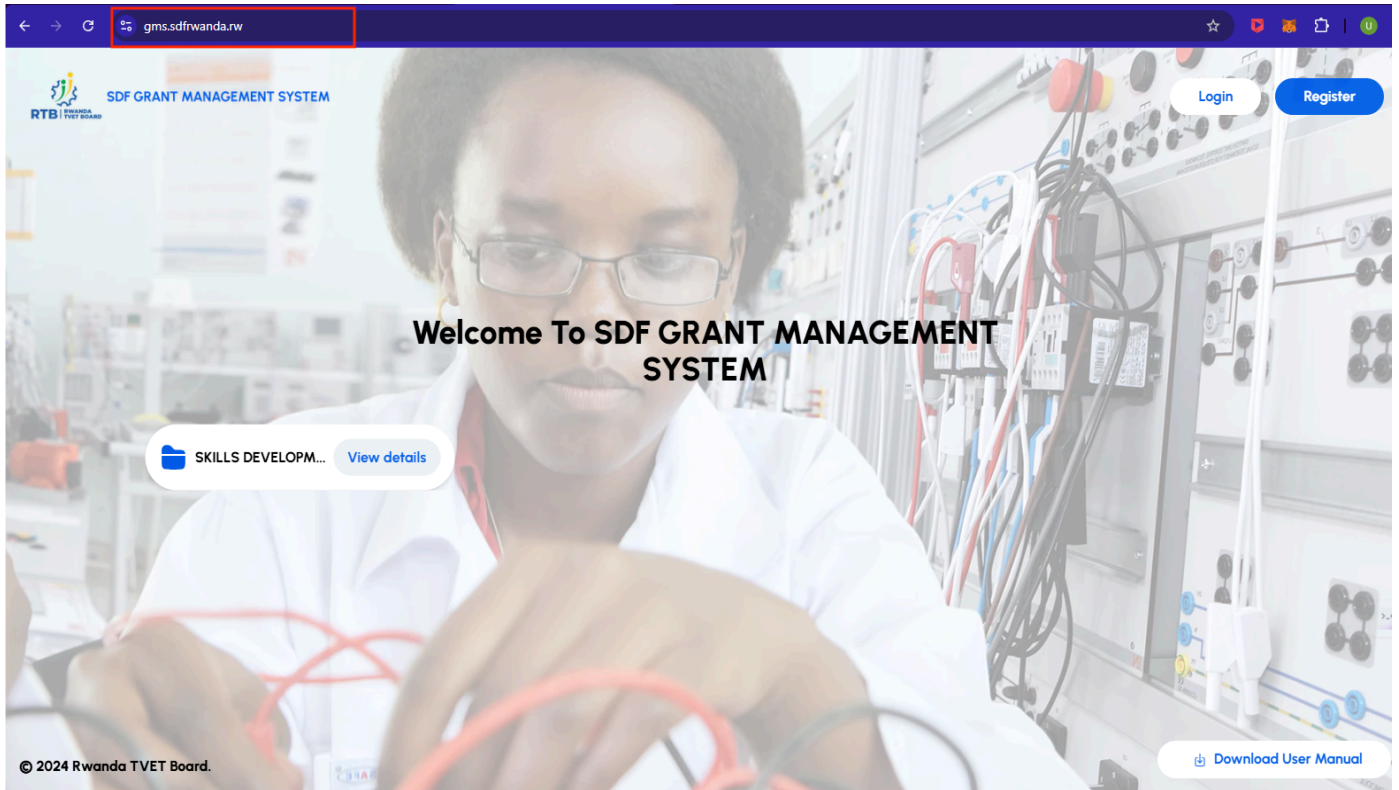

Before you start, make sure you have a stable and good internet connection

1.3 Browsing the GMS Web application

For starting, please visit this page by clicking this link <http://gms.sdfrwanda.rw/> or copy and paste it in your web browser.

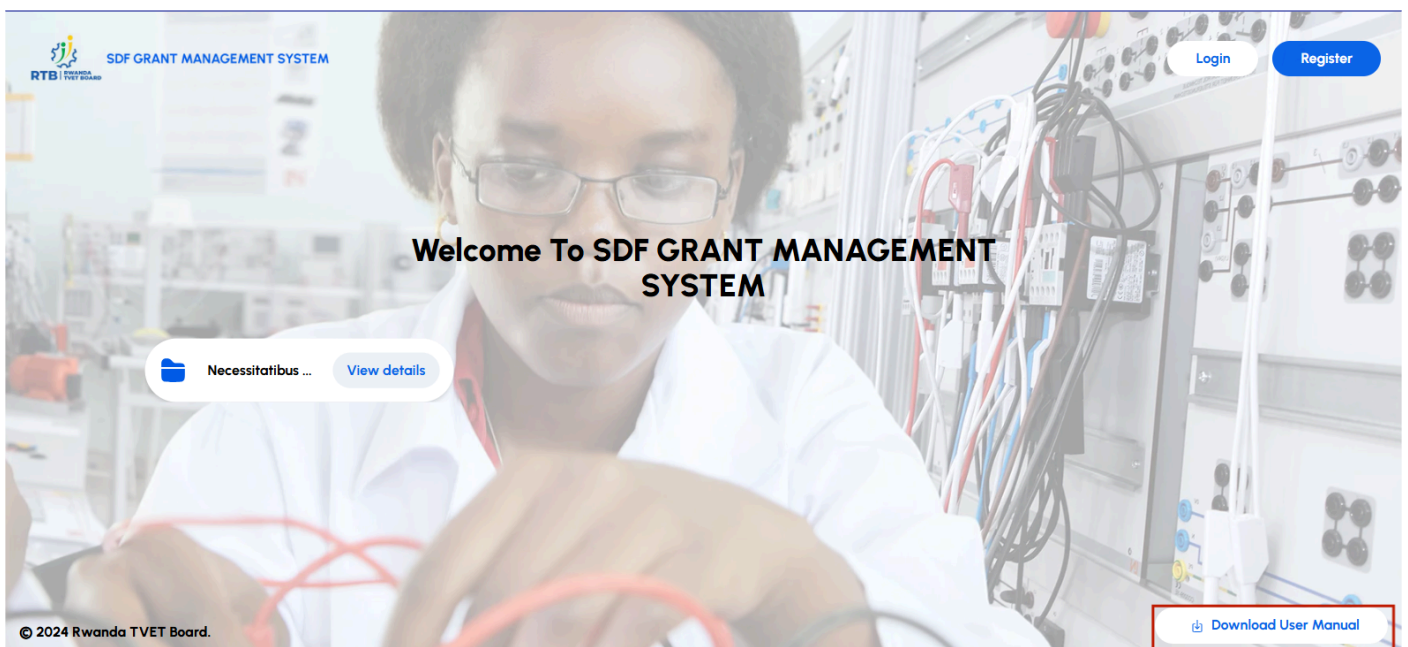

User Guide - v1.0 – SDF Grant Management System

1.4 Download user guide

Download user guide and use it for your guidance throughout the application submission process.

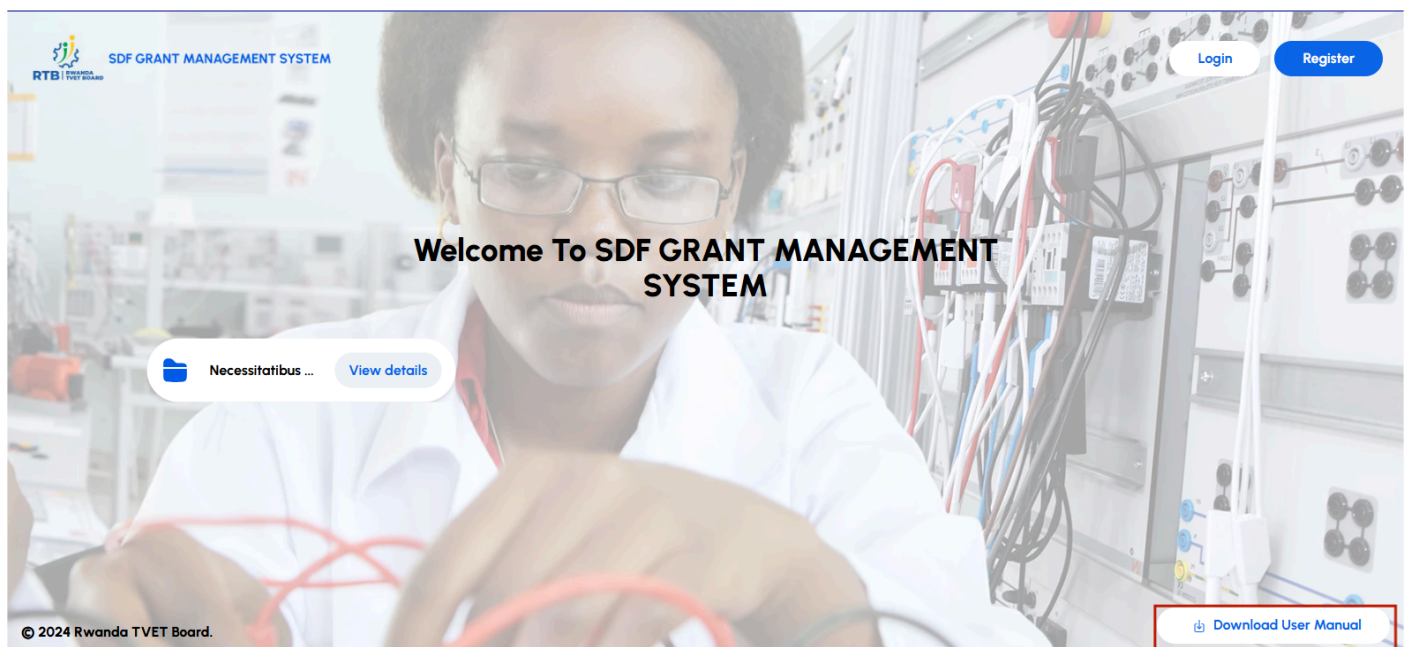

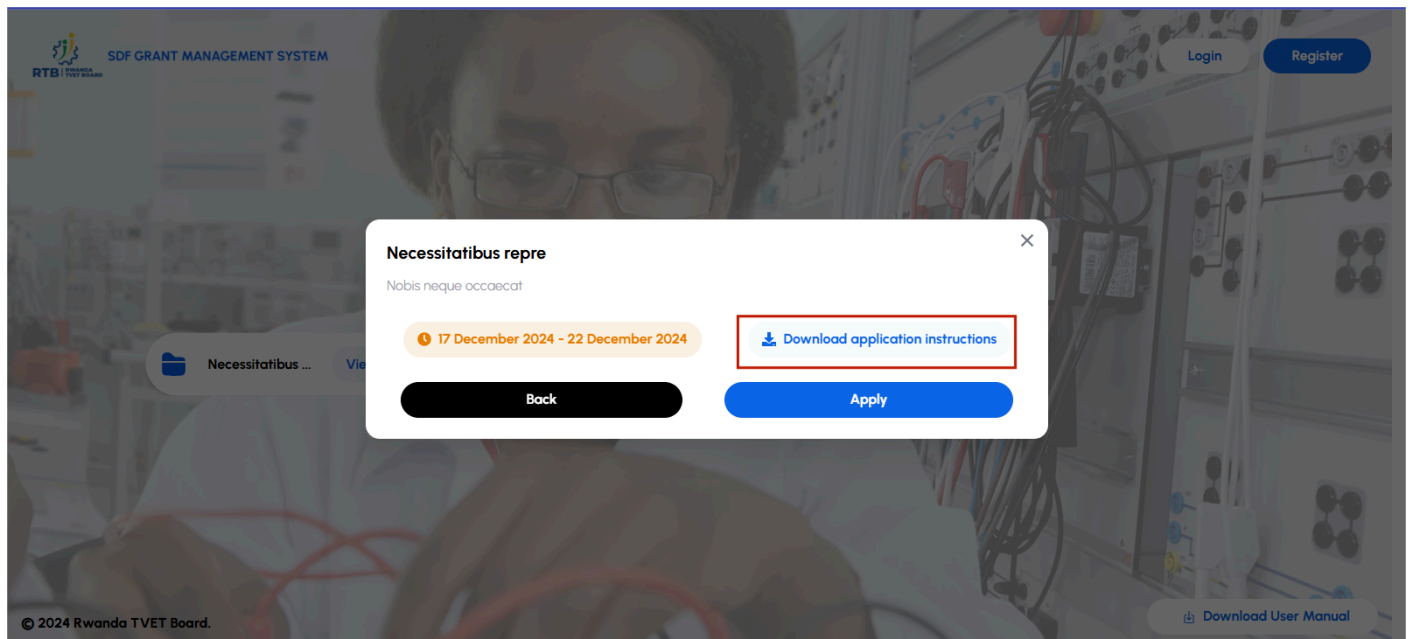

= > Please click on “**Download User Manual**” button to download the user manual

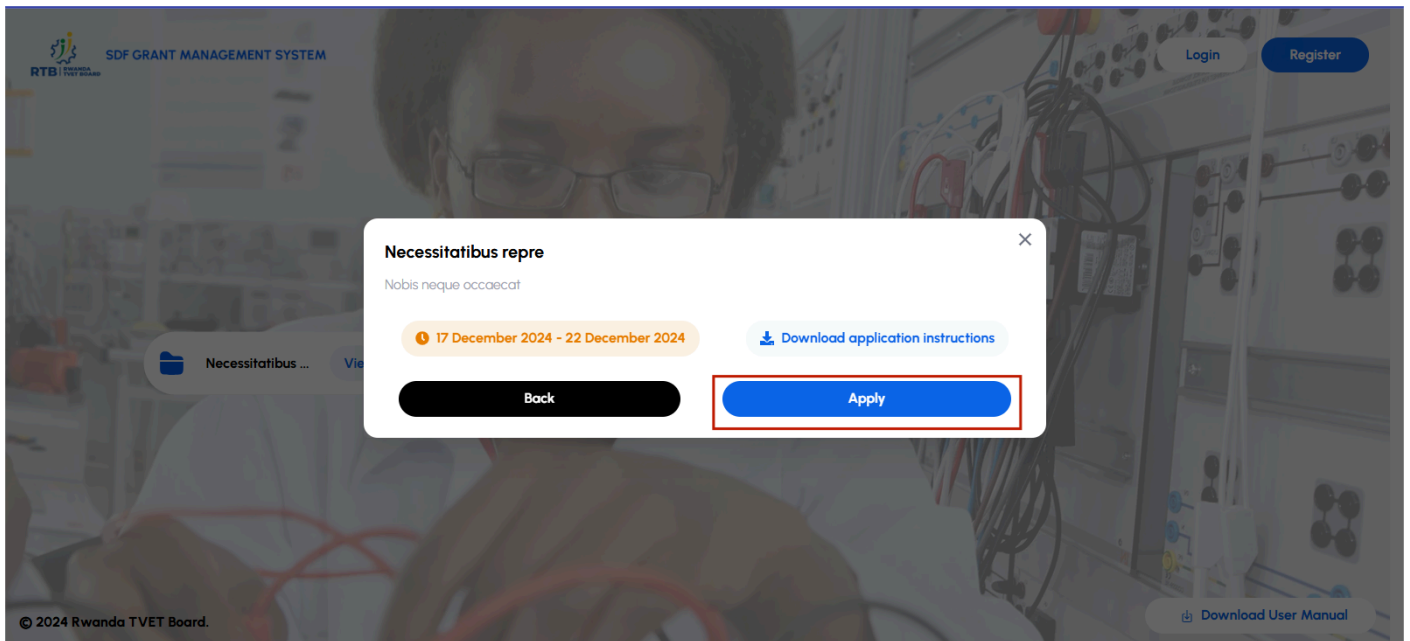

2. Getting ready to apply

2.1 Download and read carefully the call for proposal

Download and read carefully the call for proposal as it contains useful information that will help you along the application submission process. That is, you will be asked to choose window, sub window, sector, and trades that you want to apply on.

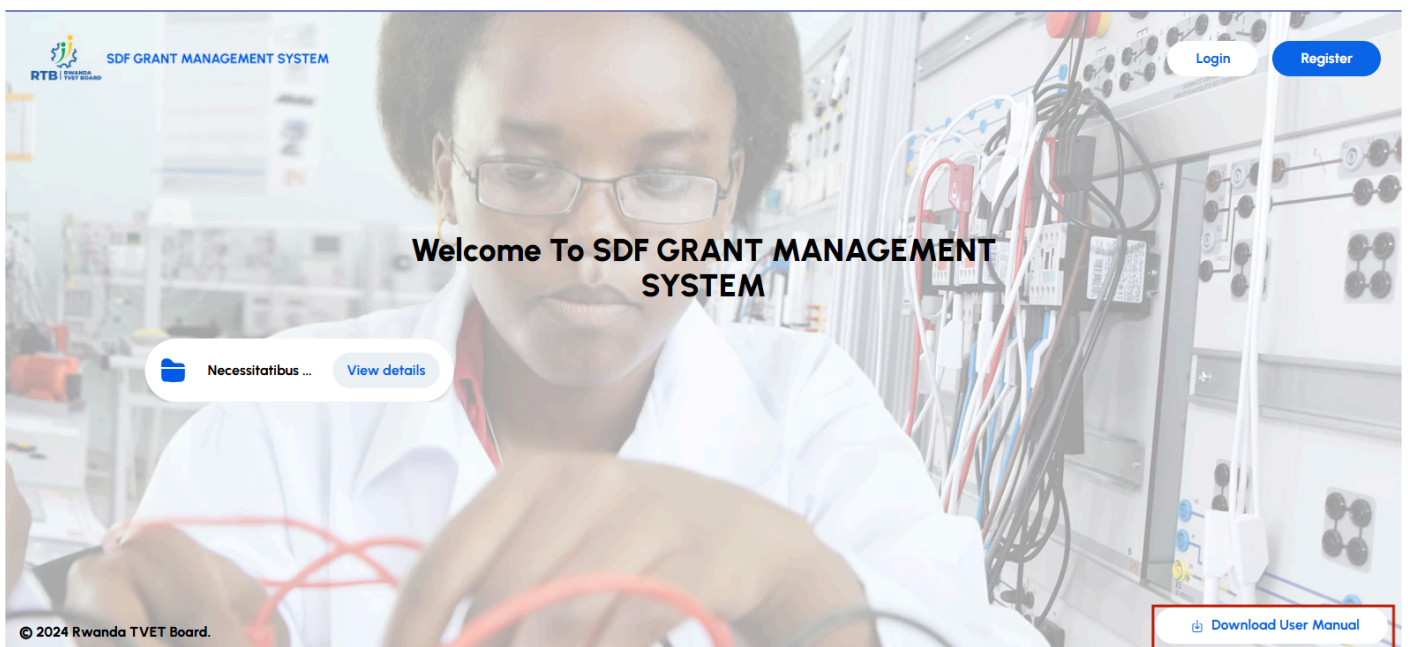

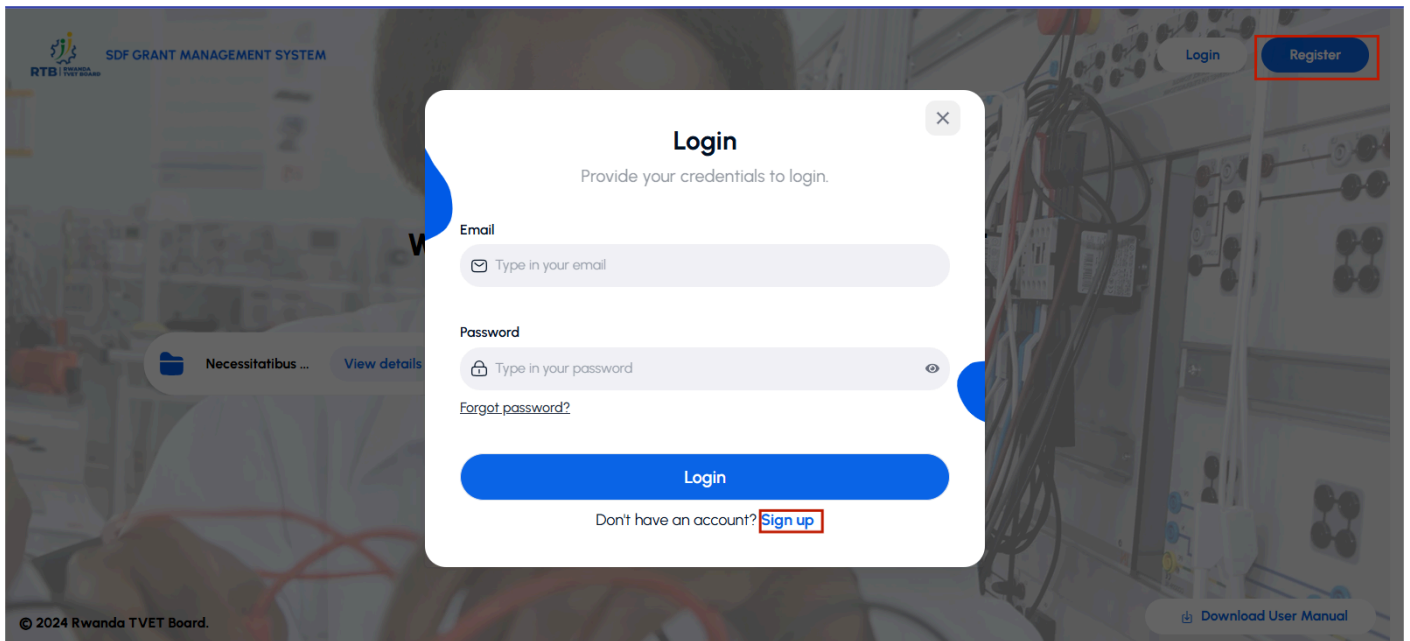

2.2 Registration for new users or Login for existing users

2.2.1 Registration (Only for new users and require)

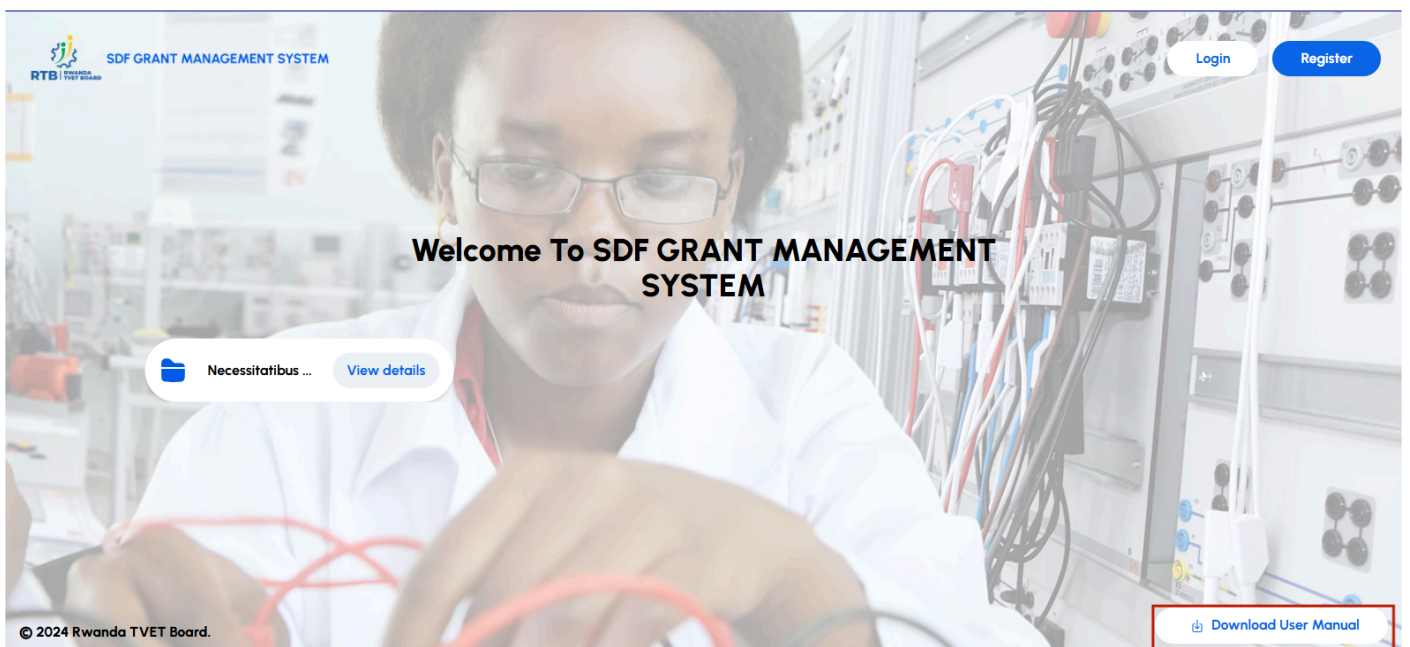

For the first time a user is required to register within the system.

2.2.2 Fill and submit the registration form

1. Fill in all the field accordingly
 - ⇒ note that the fields marked with * are mandatory, you can not submit before filling them correctly

User Guide - v1.0 – SDF Grant Management System

2. Click Sign up button to submit the form and receive an email
- 3.

The screenshot shows the 'Register' modal form of the SDF Grant Management System. The form is titled 'Register' and includes a close button (X). Below the title, it says 'Provide your details to register your account.' The form is divided into two steps: '1 Applicant Info' and '2 Contact Person'. The 'Applicant Info' step is active and contains two input fields: 'Institution Name' and 'Position'. Both fields have a red border and a placeholder text 'Type in institution name' and 'Type in position name' respectively. A blue 'Next' button is located at the bottom of the form. The background of the page shows a person working on a circuit board. The top right corner has 'Login' and 'Register' buttons. The bottom left corner has a copyright notice '© 2024 Rwanda TVET Board.' and the bottom right corner has a 'Download User Manual' link.

Title SKILLS DEVELOPMENT FUND III (SDF) CALL FOR GRANT PROPOSALS

Timeline

Status OPEN

11 days remaining

Start date 20 December 2024

End Date 10 January 2025

Description

The management of the Rwanda TVET Board (RTB), through the Skills Development Fund (SDF), is pleased to announce that the call for grant proposals is now open to all interested institutions. The primary objective of the Skills Development Fund is to address the skills gap faced by private business operators by rapidly increasing the supply of in-demand skills within the labor market. Additionally, the fund aims to help new entrants to the labor market by equipping them with skills that are relevant to current employment needs. To respond to this, Rwanda TVET Board calls for the attention of companies/industries, associations, Trade Unions, Technical Secondary Schools (TSSs), Cooperatives, Vocational Training Centers, Incubation centers, Polytechnics, experienced training providers in business- related fields, local or international organizations that have interest and capacity to provide technical and practical skills and/or leading the Recognition of Prior Learning process, that they can apply for SDF grant as per the call for grant proposals guidance. Prospective applicants for this call will support employer-led short-term training that addresses specific skill requirements. The focus will be on providing labor market-relevant skills

3. Applications

This section is related to application, the applicant will first create application and then respond to different questions asked:

The screenshot displays the 'Create Application' modal within the SDF Grant Management System. The modal is titled 'Create Application' and features a close button (X) in the top right corner. It contains several input fields for creating a new application:

- Window:** A dropdown menu with the placeholder text 'Select Window'.
- Subwindow:** A dropdown menu with the placeholder text 'Select Subwindow'.
- Select Sectors:** A dropdown menu with the placeholder text 'Select or type in a sector'.
- Select Trades:** A dropdown menu with the placeholder text 'Select or type in a trade'.
- Description:** A text area with the placeholder text 'Add description'.

At the bottom of the modal, there are two buttons: 'Cancel' and 'Create Application'. The 'Create Application' button is highlighted with a red box and a red circle with the number '2'. The 'Cancel' button is also highlighted with a red box. A red circle with the number '1' is positioned near the top right corner of the modal.

The background of the screenshot shows the 'Applications' page with a sidebar menu containing 'Applications', 'Contracts', 'Minutes', 'Contacts', and 'Profile'. The main content area displays a table with columns: 'Application number', 'Call title', 'Sector', 'Trade', 'Current Stage', and 'Actions'. The user's name 'Anne Leslie' is visible in the top right corner.

3.1 Applying questionnaire:

= > This section contains two main parties:

- Project funding application
- Indicative budget

The screenshot displays the 'Applications' page in the SDF Grant Management System. The sidebar on the left includes a 'Menu' with options: Applications, Contracts, Minutes, Contacts, and Profile. The main content area is titled 'Applications' and features a 'Questions and answers' section. Two buttons, 'Project Funding Application' (labeled 1) and 'Indicative Budget' (labeled 2), are highlighted with red boxes. Below these buttons are two text input fields: 'Title of the project' and 'Project Activities and Expected Outcomes'. The 'Title of the project' field has a placeholder text: 'Please provide the name/title of your project'. The 'Project Activities and Expected Outcomes' field has a placeholder text: 'Outline the planned activities to be supported; The skills gap to be addressed by the project; the expected outcomes/results and Justify why you need the grant to solve it. Explain why this project cannot be executed without a grant.' A 'Desktop 2' button is visible at the bottom of the page.

3.2 Project funding application

1. The Applicant would provide answers to all questions in section one, and navigate pages by clicking on the next button, until the last page, and save to go to the next section.
2. The applicant can save the work by clicking the save button at any point during the application, so that he/she may leave and continue later at any time before the deadline.
3. Page 1.
4. Please answer to all question including attachment

The screenshot displays the 'Applications' page in the SDF Grant Management System. The interface includes a sidebar menu on the left with options: Applications, Contracts, Minutes, Contacts, and Profile. The main content area is titled 'Applications' and features two tabs: 'Project Funding Application' (active) and 'Indicative Budget'. The user is logged in as 'Anne Leslie'. The 'Project Funding Application' section contains three main input areas, each with a title and a sub-instruction:

- Title of the project**
Please provide the name/title of your project
- Project Activities and Expected Outcomes**
Outline the planned activities to be supported; The skills gap to be addressed by the project, the expected outcomes/results and Justify why you need the grant to solve it. Explain why this project cannot be executed without a grant.
- Readiness to execute the project**
Explain to which extent you are prepared to execute this project.

9.

The screenshot displays the 'Applications' section of the GMS interface. On the left is a sidebar menu with options: Applications (selected), Contracts, Minutes, Contacts, and Profile. The main content area is titled 'Applications' and shows two application cards. Each card contains placeholder text, a 'View details' button, and a circular progress indicator showing '1 days remaining'. Below the cards is a section titled 'Latest applications' containing a table with the following data:

Application number	Call title	Sector	Trade	Current Stage	Actions
GMS-APP-0000024	Nihil irure voluptatem aut quo...	Construction Sector	Welding	SUBMITTED	...

At the bottom of the table, it says 'Showing data 1 to 10 of 1 entries' and includes pagination controls showing page 1 of 1.
